

LCS Gets a Brand New Stage!

LCS has a brand new 16x24 stage! This stage is lighter, stronger, easier to handle and faster to set up. This system also comes with two

handy rolling carts to help with moving the parts from storage to set up. The surface provides additional traction for our students, allowing them to perform to the best of their abilities. This stage is going to help boost our performing arts into new realms of possibilities!

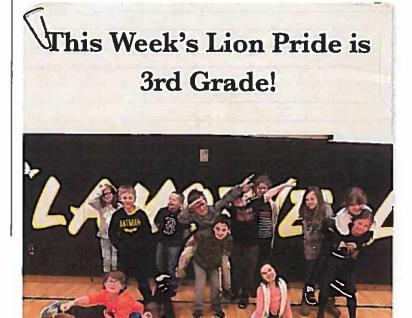

LCS is Going Blue On Tuesday, April 2nd to Show Our Support!

Tuesday, April 2nd is World Autism Awareness Day. Please wear blue on Tuesday if you would like to show your support for those living with Autism!
